She will deliver healing messages to audience members and give people comfort knowing that their loved ones who passed are still with them, just in a different way. Tickets go **on-sale Friday, July 23 at 10:00am** and can be purchased at **Ticketmaster.com, Ticketmaster by phone 1-800-982-2787 or in person at The Dow Event Center Box Office**. "The Experience" brings Theresa face-to-face with her fans, as she lets spirit guide her through the audience. A video display ensures everyone in the venue has an up-close-hands-on experience regardless of seat location. "The experience isn't about believing in mediums. It's about witnessing something life-changing" says Theresa Caputo. "It's like Long Island Medium live, witnessing first-hand spirit communication."

The highly-rated show *Long Island Medium* follows Theresa's life as a typical Long Island mom with one very big difference...she can communicate with the dead. Since she cannot "turn off" this gift, messages from departed loved ones can come through at any time, which lead to spontaneous readings with those she encounters. In addition to her television show, Theresa has appeared on such programs as "Jay Leno," "Jimmy Fallon," "Steve Harvey," "Live with Kelly and Michael," "Dr. Oz," & "The Today Show."

Theresa's latest book, "Good Grief: Heal Your Soul, Honor Your Loved Ones, and Learn to Live Again", was released in 2017 and debuted on the NY Times Best-Seller List at #3. With her energetic, positive, and encouraging tone, Theresa uses the lessons from Spirit to guide the reader through grief toward a place of solace and healing. Theresa's second book titled "You Can't Make This Stuff Up" was released in September 2014 and debuted at #9 on the NY Times Best Seller List. Her first book titled "There's More to Life Than This" was released in the fall of 2013.
